

1 Preschool

Pray that all of our preschoolers are taught about the love of Jesus during the week.

Pray that all our teachers and teacher aides will share the love of Jesus with their students.

Let us pray | Lord, we thank you that we have an exciting and vibrant preschool.

Thank you, Lord, for our preschoolers, teachers, and teacher aides. Thank you for parents who send their children to MVLCS.

Help the teachers to share exciting lessons and learning activities. Allow the students to enjoy their learning in a Christian environment. Amen

2 Gym

Our gym is in need of a new floor. Let us pray that students can have classes with a safe environment. Allow a new floor to also serve the needs for our fellowship activities.

Let us pray | Father, help our capital campaign to raise enough contributions so that a new floor can be installed. Please allow our gym to be used for our fellowship activities. Please allow our new floor to enable students to safely participate in physical education classes. Amen

3 Stage

To serve the needs of our school, the area of the stage needs to have a new purpose and focus. The stage will be renovated to be used for art classes as well as Before Care and After Care.

Let us pray | Father, we ask you to bless a new purpose for our stage so that students can have a place for exploring and creating art. Allow the space to be used for students needing a safe and fun place for Before Care and After Care during school days. Amen

4 Elementary School

Our classrooms (Kindergarten through grade 5) have adequately served the needs of our students for many years.

Our classrooms need to be updated and enlarged to meet the needs of spiritual and academic learning of the 21st century.

Let us pray | Almighty God, we thank you for all of the classes that our elementary school has for Lutheran Christian education. We praise you for amazing parents, for inspiring teachers, for eager students, and for a supportive church.

Allow all new renovations to enhance spiritual and academic learning so that teachers will be able to design 21st century learning models. Amen

5 Basement

Our Church has a basement which has potential for many ministry needs. Here are the plans that we have in mind: to include labs for computers and science, areas for small group and for Bible studies, and a new youth room for equipping our youth.

Let us pray | Lord Jesus, we are very excited about the many plans for our basement that will help to multiply our ministries. Let us pray that all these possibilities will be used for academic and spiritual learning and for discipleship that will benefit many age groups of our church. Amen

6 Church Balcony

Our church balcony will have a new purpose so that the entire space can be used for God's glory.

*Let us pray | Lord Jesus Christ, please allow the plans for our balcony to have a meeting space that will benefit the needs of both church and school. We ask you to allow our balcony to be a warm and welcoming area for those in attendance.
Amen*

7 Sanctuary & Organ

Our church is a holy place where we hear God's Word preached by our pastors. It is a holy place because we sing praises to God, confess our sins, receive God's forgiveness, take communion, witness baptisms, and proclaim our faith through the Creeds. Our present organ has served our congregation for many years and is in need of replacement. We are in need of a new one that will lead our worship as we bring glory to God.

Let us pray | Almighty God, we thank you for the opportunity to have a prayer event today. Thanks for allowing me to pray about the exciting opportunities for our congregation. Allow our capital campaign contributions to purchase a new organ for enhancing our worship of you. Amen
